Curriculum Vitae (CV)

What job i'm looking for? My positive points

Performance driven, confident and creative individual aiming to sharpen analytical skills, interpersonal communication skills, coordinate and manage the flow of data within an aspiring organization. Eager to leverage education and training within the corporate and retail industry and develop business intelligence skills which can serve as an asset in the company. I am looking for an opportunity to showcase my skills and learn new skills, Preferably Administrative positions or front desk positions that allow me to interact with people. I am also comfortable with data capturing jobs and research. I enjoy handling information and data. Whether it's organising it, responding to emails, setting appointments, handling schedules, file keeping etc, it can all be done. I am passionate about the knowledge management and data analysis field of study and aspire to be a data analyst and work around statistics and predicting future outcomes of whatever research is being conducted. I enjoy reading and continuously acquiring new knowledge. My acquaintances describe me as a person with OCD, but I beg to differ, neat and organized are the correct or rather suitable terms to use. I am also an ambivert and can easily adapt to different environments and complete assigned task to the best of my ability.
