Curriculum Vitae (CV)

#### What job i'm looking for? My positive points

I am an undergraduate at work 4 A Living whereby I am doing my basic computer course. I have scored highly in most of the training courses and received Introduction to computer, Microsoft word and Microsoft Excel certificates. I have developed a new strong set of skill which is data management of which I would like to use it in a larger environment. I am a flexible person though so I am able to do different activities in a working environment. It is in my advantage that I am a fast learner.
