What job i'm looking for? My positive points

Dear hiring manager

I am excited to introduce myself to you as a potential candidate for any position. Although I lack formal work experience in this field, I believe that I possess the skills, and willingness to learn that would make me a valuable addition to the team.

Firstly, I bring a positive attitude and strong work ethic to every project I take on. I am a quick learner and have a passion for new challenges and learning new things. I'm confident that I will be a quick study in terms of getting up to speed with the technical skills required for the role.

While I may not have any lengthy resume in this field, I am excited to bring a fresh perspective, a willingness to learn and grow, and strong work ethic to my potential work at your company. Thank you so much for your time and consideration, and I look forward to hearing from you soon.

Sincerely

Mbalenhle Sibiyha
