

# Marthinus Peypers

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Safe and efficient transportation.

In response to your placement, I am applying for the above-mentioned position, as Driver. Herewith please find a copy of my 'Curriculum Vitae', for your perusal and consideration.

I am a Production Supervisor/qualified Boilermaker with a vast experience in fabrication and manufacturing. Included in my experience:

- Petro-chemical fit-up and problem solving as well as pneumatic fit-up.
- Extensive Re-fueller technical knowledge.
- Manufacturing and fabrication of boilers and tankers.
- Mechanical fit-up, boilermaking and piping.
- SASOL (completed Sasol Safety Induction and Site Safety Induction, full Medical Assessment and attained Sasol Passport & Badge) contracted on site in Sasolburg.
- Tricom (ROBOR): solar manufacturing, fabrication and fit-up.
- Meyerton Engineering

Management style/work ethic: Honesty, discipline and integrity are of paramount importance. Safety and quality procedures must be adhered to. Ensure work schedule is maintained. Regular meetings with staff and directors. Keep staff motivated and always avail myself to assist with queries, impart knowledge, and guidance. Prevent re-work. I shall be an asset to any company who gives me the opportunity to prove myself.

It would be appreciated if you can contact me on 082 662 4843 (cell.), if you wish to set up an appointment to interview me.

Thanking you in anticipation.
