What job i'm looking for? My positive points

I'm looking for a retail job. I haven't worked before, so I'm looking forward in gaining some work experience and how to provide good service to customers.

I was part of Mr and miss TUT program eMalahleni in 2020. With my self confident, stage presence and dealing with a crowd in a proper way I made it to the top 5. What I mean here is that as a retail worker I can able to make customers feel comfortable around the store, not only inside the store but also outside the store.

I would really love to work at a retail store.
