Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for general jobs. I have no experience and the only certification in my name is matric certificate wich I did very well on. I am ambitious, curious , hard working person who is willing to learn and expand to new skills and I am also a fast learner. I love learning on the job because it helps me absorb a lot about the job. I love working in a team and alone but teamwork is better as new ideas are experienced everyday.
