Curriculum Vitae (CV)

What job i'm looking for? My positive points

I can work indoors and outdoors. I can work with a team or individually and also take decisions that others are not willing to take. I take pride in every work and I'm very passionate about adapting to change. My capacity to work well under pressure has been tested through my experience gained while in school. I believe in working together towards a goal, helping each other to get there and celebrating together once we have achieved. I aim to secure a position in an organisation where teamwork and growth is encouraged in order to transfer knowledge and learn from others, and help me achieve my personal and organisational goals.

I plan to study further in order to upskill myself.
