

David Kgomo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hard working, individual who is eager to learn more and be the good asset to any company. And my qualifications match the experience and skills required by this position. I have a maximum of 3 years of experience working as an apprentice and am familiar with the various tools used in this profession.

I have refined my strengths through 3 years of experience in apprentice mining exposure where I provided solutions in new inventions of machineries based on safety, efficiency and company cost. I always put forth my best efforts to get my job done in a timely but efficient manner, I am self motivated and have the ability to work without constant supervision and I can also work well as part of the team.

The enclosed resume contains a comprehensive look at my work history and skills.

I'm

confident that I'm the most qualified for person for the position and looking forward to meeting with you soon to learn more about this job and to discuss my qualifications
