Curriculum Vitae (CV)

## What job i'm looking for? My positive points

As a recent Diploma graduate in Information Technology, I am looking to get my career off to a positive start. My excellent time management, reliability, good attention to detail and result driven attitude, are the traits that I think will help me with getting the job that will help me gain more experience in any field available. I also like to keep myself active, and I believe that being a Junior soccer development coach of my local football club, is helping me do just that.
