Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a permanent waitron job which I know I would excel in regardless of the environment. Even though I have no prior experience working in hospitality I am a sociable, determined and hard working who is willing to learn and understand the situation given. It is my dream to own my own restaurant one day due to the fact that I love food. I am good at talking to customers and helping them when needed due to the fact that I believe every customer deserves a good customer service and a happy time spent at said restaurant. My goal is to work hard on the jobs but still be a good waitron and have a smile on my face while serving customers.
