Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any job like driving ,administrative because I am good in Driving and I have a driving license C1 and I have been working on a company Syntell as a general administrator...I would love to get this job opportunity to keep on showing my skills and getting more knowledge and other skills in the company and prove myself to the company with what I am good at.i promise that with me as an employee you will never regret.i also need this job because I Will be able to feed my grandmother and siblings because the only better income they have at home was coming from me...Being retrenched is so painful especially when you never thought of,i dont know what I am going to eat,how am I going to pay rent because the company I am working at is going to be closed next month and I will have nothing in my pockets to feed me and my family ..I live in an informal settlement because I am not able to get more income but I am thankful to God with the less I have .My goal is to see me prosper ,work for your company and I will be very happy..I am 26 years of Age ,I am very intelligent and I love working in space ,I loved people and I respect them.I can be able to solve problems and I have skills in computer literacy
