Computer knowledge

know data base, and power point it uses slides.

My knowledge in computer is Microsoft word the page where you type and Change font size , set

Additional information

the ruler and set the margin to type clear. first think when you use computer seat up straight and Driver licenses None

don't look other side ...type using two hands the fingers of the right hands side and the fingers of Salary you wish R4000 R per month

the left hand side at the same time ... after save and print or save the information that was type so How much do you earn now R0.00 R per month

that have in the computer even if its load shedding time I know Microsoft excel it use when you

calculate . Use formulas where it given in the Microsoft excel...Same we must set front size. I also
