## What job i'm looking for? My positive points

I'm looking for a general job like cleaning so that's I will prove my point of being a cleaner for ten years without getting what I want because of small salary, and I'm willing to work overtime, anything they told me to do I will do it's with pleasure, work is my hobby because it's keep me busy and stay focused all the time, I'm a humble person who enjoyed being around other people and I guess communication is the best solution of your problems.
