Curriculum Vitae (CV)

What job i'm looking for? My positive points

My preferred job would be data entry but I'm flexible to do any kind of job.

I am a dedicated individual, who has acquired relevant skills and experience. With these, I believe I can bring about a change within the organization as well as a positive working atmosphere.

I am an enthusiastic worker and very eager to contribute to team success through hard work. I can pay attention to finer details and have excellent organizational skills. I am very driven and thrilled to learn, grow and excel in the work industry. I am a very reliable employee and can offer excellent communication, hard work and good judgment. I am an organized and dependable candidate who can manage tasks with a positive attitude. I am ready and willing to take on responsibilities to meet team goals.

I believe this would be an exciting experience and one I would truly be dedicated to.

I am very passionate within my workforce and I willing to bring that same level and same spirit to this company.

I always try to exceed my superior's expectations with high-quality work.

I am fast learner and can pick up business knowledge very easily.

Lastly, I would like to add that I work well both individual contributor and also as a team member.

Collectively, all these skills put together makes me a complete package for this job.
