Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am interested in the IT/computer science industry and I have a completed Bachelor of Science in Computing (Computer Science). I am interested this industry because I love developing and coming up with solutions using technology. I am passionate and willing to learn and I believe that this industry can help me to grow as a person. I have been in the customer service and sales industry for over ten years which has helped me with to develop good interpersonal skills and how to work within a group to achieve goals.
