

Nami Lihle Manana

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am Nami Manana and I am currently completing Matric at Andrews Academy this year. I'm looking for job where I can assist with either stock packing to helping with admin work, in terms of organizing files and other important work material. I believe these sort of jobs would suit me as they are mostly situated in environments I'm comfortable in. Comfortable environments also include as I am prepared to also do some online work because I have access to all necessary amenities. Usually in comfortable environments I'm able to work at my best which I assure to anyone, will be a huge benefit for surrounding parties. I'm looking to get my first working experience during holidays, to maintain productivity, and obviously earn some monetary reward. However, I do assure you that money will not be the main motivation. It will be to do my absolute best in every task given, I believe doing your absolute best will always have a positive outcome. I seek to bring positivity, even on the smallest scale, in the working environment. Also, as young as I am, to make some sort of difference, an impact on where I am present.

In conclusion, I believe considering me as a candidate will be reasonable and wise. A motivated staff member is what you'd be getting from me and a motivated staff member is always good for business.

Thank you
