Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like to be a cashier, i really love working with people, I've never worked before i just have my business where i bake and sell biscuits scones and muffins, and I get to meet different faces every day and that keeps me going. Working at retail store would be so challenging to me but that's what I like challenges, I'm not a person who want things that comes easy. I would really appreciate it if i would be given this opportunity to work with in a retail store where I would see more different faces every day, and putting smiles on their faces with my friendly service since I'm a people's person.
