What job i'm looking for? My positive points

I am looking for a job, not only to be able to finance myself, but also to learn financial responsibility and to understand the importance and value of money. I am currently a student at The University of Pretoria. I am a hardworking, dedicated young woman who wants nothing more than to make something out of her life. This year alone I have completed a number of courses, namely: First aid, Netball Level 1 coaching course, Athletics Level 1 coaching.
