What job i'm looking for? My positive points

In my current role as the Sales supervisor, I was accustomed to working in a high-pressure environment where accuracy and attention to detail were essential. This role required a high degree of professionalism, maturity, loyalty, confidentiality and the ability to communicate effectively at all levels. I pride myself on my ability to deal with pressure and multi-task with a positive and flexible attitude.

A proactive team member who can also work independently, I always aim to go above and beyond my set duties to ensure the best systems are in place to allow the organisation to function as efficiently as possible.

I am a highly motivated individual, keen to accept responsibility and develop myself, both professionally and academically. I would like to work for an organization that provides a stable but challenging environment wherein I can use skills already gained in a corporate environment to work towards a common goal.
