What job i'm looking for? My positive points

I am looking for a temporary job this summer holidays. I want to make extra money for my University registration and also for my siblings. Any job that I will get I will be grateful this job can change my life. I am a real hard worker I have a lot of experience as I was once a part time cashier at one supermarket in our area. I can easily adapt to any environmental condition. I would be grateful if you could accept me.

Thank you.
