Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a job where I will be pushed and challenged, where my skills will be put to good use. For my next employment, I'm seeking for four things. Firstly, a team that is uplifting and has a can-do mentality among all members. Secondly, a boss who is willing to listen and take into consideration any suggestions I make. Thirdly, an inclusive workplace culture that provides equal opportunities for all employees, and fourthly, a varied work setting where I may learn from others.
