

Gugulethu Carey Mhlongo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 26 year old female coming from a family of 3 siblings plus a mom and a dad,Being the first daughter in my family has thought me how to be responsible in managing the basic household duties and the leadership skills necessary to insure the whole house is operating accordingly , when our parents are at works.It has lead me to be a person who has the ability to solve problems and come with solutions in execute tasks in a more efficient and effective way.With understand that the state of our economy as a country is in a negative balance, enabled me to be able to practice value for money in terms of using less Input resources in getting the desired output of quality.

In the year (2023) I was doing my final year at Mangosuthu University of Technology under Diploma in Public management and SCM,With understanding that unemployment rate is high I am perfectly willing to do any available position in the work place...

I have good communication skills,good listener able to take instructions.Time management skills and I am an energetic person.

You should hire me for I am one responsible and driven person,A execute tasks to my best level and I am able to adapt to any work environment.I am quick to learn skills and I am a problem solver by nature.

I would really appreciate it.If I could be given an opportunity to prove my self that wouldn't only bring value to your organization but also Equip me as an individual with both skills and experience to grow and functional.

Thank you in advance...
