Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a job that challenges me and allows me to grow professionally. Additionally, I want a job whereby the company's mission and values excite me and I want to be part of a team that makes a positive impact. One solution I have implemented over the last three years is to actively pause and celebrate my achievements. Not only has this helped my own self-esteem, it has helped me genuinely appreciate and recognise my team and other support systems.
