What job i'm looking for? My positive points

I am looking for a job in the mining industry as a Loco Driver. I worked as a Loco Driver for 4 years in kloof operation in Gauteng province. I was transporting ore from the working place to the tip and also transportation of working materials from the station to the working place. I am very determined at my job and always open to new ideas of working and love working in a team for it makes our jobs easier and much faster to finish when we help each other out.
