

Mthobisi Sthelo Buthelezi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Buthelezi Mthobisi, a BCom Honors Student at the University of KwaZulu Natal at Pietermaritzburg. Currently, I am doing BCom Honors in Information Technology and Systems. I have achieved a bachelor's degree in Computer Sciences and Information Technology with a Deans Commendation. While studying I work hard to hone my Programming and implementation skills. I am focused and attentive to detail when addressing high-volume task loads to meet deadlines. I am inspired by making a positive impact by applying Decision-making skills and my problem-solving abilities allow me to address challenges to achieve results. My academic experiences have served me well in developing my communication, decision-making, and innovation skills. I am seeking employment with your organization as a software engineer or general worker. I am a postgraduate student with a bachelor's degree in computer sciences and Information Technology. Several programming languages have been studied, including HTML5, PHP OOP, Python, CSS, MySQL, Java, and C#.
