

# Mpho Rammoko

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm a graduate I did Bachelor of Sciences in Genetics and Botany I'm looking for a job related to that field but at the moment any kind of job would be appreciated

My name is Mpho Caroline Rammoko, I am a graduate I was studying at the University of the Free State doing BSc majoring in Genetics and Botany and I am willing to do my best in everything I will be assigned to and passionately commit to my job.

This opportunity will definitely get me a nice experience of working with people, communicating and learning more about things. As I couldn't have an orientation due to circumstances this is exciting and I will also be able to part of it.

I am thrilled to be applying for this job; I am enthusiastic, punctual and always looking forward to learn from others every day and also good in team building.

Also I am looking forward to hearing from you.
