What job i'm looking for? My positive points

I understand you are looking for someone who can increase your sales revenue, expand your customer base and improve brand awareness. I have no experience but I believe my lack of experience will benefit your company. I'm a blank canvas who has no preconceived ideas about the workplace. This means you can train me and develop me to be a responsive, dynamic and a high performing member. You should also hire me because I'm very positive about changes, I never complain, and I'm always hungry to learn new skills. Give me plenty of tasks to work on, something new to learn, and ambitious people work alongside with and I will repay with high-quality work and a commitment for the long-term.
