Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm looking for economist, research jobs, econometrist jobs and any other type of job in the finance industry that will help me to enhance my full potential and experience as well as skills.

My positive points are that, I'm a University of Limpopo Bachelor of Commerce and Bachelor of Commerce Hons in Economics graduate, obtained with distinctions. I am a driven individual with a strong work ethic, a focus on seeking solutions and a passion for the economy. I am striving to launch a

career in economics using solid interpersonal and analytical thinking abilities.

I have experience in business disciplines like Economics, Business management and Public sector Economics to say the least as well as quantitative approaches like Econometrics, Statistics and Research Project in Economics.

My short term goal is to be in a company where I can grow my path and passion in the economist field and my long term goal is to be in a respectable position in that institution. I can create a positive relationship between internal and external stake holders and I work well within a team.
