What job i'm looking for? My positive points

My name is Kelebogile Maubane ,I'm looking for a job but I am new to the field, I possess a strong work ethic, excellent communication skills and will to learn where I don't have any relevant work experience. I am excited to apply these skills in a professional setting and eager to learn more from experience from members. As a recent matriculant I am highly to gain valuable experience and knowledge, and contribute a dynamic team. I am confident in my ability to adapt quickly, to work collaboratively and take on new responsibilities. Thank you for considering my application. I look forward to discuss further on how I can contribute to the success of your company.

Sincerely, Kelebogile
