Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have a total of two years of experience as a lecturer at the University of the Western Cape, where I taught first and second-year finance courses. Following that, I transitioned to the corporate sector and worked for 3.5 years as a risk and performance analyst. Subsequently, I took on the role of an Investment analyst at Sygnia Asset Management, specializing in managing the money market fund. My background encompasses both theoretical knowledge gained through teaching and practical experience acquired in the corporate and investment management realms
