Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have experience in helping customers with their daily needs, as I have worked at woolworths for 15 months and at Marcells for 6 months (contract based)

I am computer efficient. It included answering phone calls, assisting customers telephonically, receiving daily deliveries of stock, using people soft, word, excel.

I had to scan bohs daily ticket checks daily, pulling the market forward every second hour, capturing stock in the back area with a scanner and printing the captured stock which was three pages one for the manager one for the supervisor and one for me.

I do have product knowledge and fire fighting training

If supervisors were not there the most experienced replenisher had to step up and control the team for the day.
