Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a very hard working person, I like to work as a group and as individual. I can work under pressure and continue under difficult circumstances. I can deal with difficult customers and make them leave the store happy, because I know what's best for both customers and company itself. I have good listening and communication skills.

I can resolve conflict around my team mate. My weakness is that I am too focused, I care about people more than I care about myself.
