What job i'm looking for? My positive points

I'm looking for a job as a hospital cleaner , because I'm really good at tidying up and ensuring that a place is a healthy living environment for humans to breath in and keep heathy. I'm a hard-working woman and I also am good at taking care of people just as I ensure that my sick aunt lives in a healthy area. I'm also a good attentive listener so I pay good attention to instructions.
