Curriculum Vitae (CV)

What job i'm looking for? My positive points

Prefably a light motor passenger vehicle driving job would be ideal because I possess a code B driver's license that was first issued 23 years ago in October of 2000. My PrDP is valid and expire in December 2025. One of my positive points is my unconditional fondness for people and my love for learning about our different backgrounds and cultures. I am able to start engaging conversations about just about anything, thus creating an unforgettable experience for anyone that I'm fortunate enough to be transporting. My other positive point is my vast driving experience that was mostly obtained from the busy streets of the Durban CBD. I have been driving taxis in the Durban Central route, and have also driven long distance, a Durban to Johannesburg route.
