Curriculum Vitae (CV)

What job i'm looking for? My positive points

At this moment almost any job that requires my mental, strength and physical stability is what I'm urgently looking for as my background situation is never so good furthermore, the cost of living is too high. Though, I may never have enough experience nor qualifications through some of the jobs but I'm willing learn and earn more experience to make my life easy as really need a job to fulfil my needs and make my life better.
