Curriculum Vitae (CV)

What job i'm looking for? My positive points

Hi! My name is Sumé Bloem, I'm a motion and graphic designer passionate about creating stunning visuals that tell stories and inspire action. I'll graduate soon with my Motion and Graphic Design degrees, from the Open Window Institute. I use Adobe Photoshop, Illustrator, After Effects, Premiere Pro and InDesign to bring my ideas to life. A relatively recent project of mine was designing a book cover, where I worked closely with the author. I used Photoshop and InDesign to create a design that matched the theme and mood of the story. You can view my portfolio on Behance (SumeBloem2001), and you can also see more of my animation work on YouTube (@SumeBloem). I'm always eager to learn new skills and explore new challenges. If you have any feedback, suggestions, or opportunities for me, please don't hesitate to message or email me at bloesume2001@gmail.com.
