Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good Day I'm Hope Zinhle a young lady who completed her matric in 2021, and I decided to upgrade my marks the following year (and that took six months to complete), later on that year I applied for a learning programme (Jumpstart) which earned me a job at MR.PRICE in (2022 and 2023 during the December holiday). I believe that I'm a hard working individual, who offers her great and humble personality, good communication skills, a good listener and a fast learner.

I'm looking for anything that's going to increase or expand my work experience as I'm a bit inexperienced, I've only worked during the holidays/festive season, it's a challenge yet you learn a lot from. I'd like to be called for Learnership. Thank you
