

Njabulo Simphiwe Mbele

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an engineering jobs because I was studying National diploma in chemical engineering at Tshwane university of technology. I am interested to gain more knowledge about the things I used to study at TUT about the plant and lab. My wish is to grow with the company and gain more knowledge so that I will be a valuable candidate to the company. I also wish to see myself doing great thing in the company and also to bring growth that will make a company to grow bigger and bigger as it is doing today. I believe that will all my skills and experience I have from university can bring good change to the company.
