Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a very shy person who is able to take a stand and do what is right. I am a hard working person, dedicated to do what the superior asked me to do. Always will to work over time. I am available to uplift any company hiring me, as I am having multi-skills. I can perform very well with the knowledge I have and experience in working with people. Looking forward I am keen to work as an administrator as it was my dream to work in administration department.

The company that will hire me, will not regret hiring me, I will leave the mark when I retire because of capabilities I have. Nothing can stop me to grow the company hiring me financially and the knowledge I have will make the company grow as well and other workers may learn a lot from me.
