## What job i'm looking for? My positive points

I could like to apply for this position of being a waitress at your business ,as I know I'm a suitable candidate for this position because of previous experience as a university of Johannesburg student currently doing her second year in hospitality management.

I have good communication skills which will help me to interact well with customers ,additionally I'm also a hard worker and can work well under pressure as stated on my CV.

Choosing me as the suitable candidate will add value to the business,I'm confident I can perform all the duties assigned to me.
