Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm interested in sales because I have great interpersonal skills and I'm passionate about providing excellent customer service. I have experience working with people in previous positions, and retail/apparel is appealing since it seems to value putting clients first. As a fresher, I bring a lot to the table in terms of skills and ability. I am flexible and adaptive to learning new things, which means I will be able to contribute to the growth of the company. My last project in sales assistant/representative taught me how to be a team player. Additionally, I always play by the rulebooks and follow company guideline, so you can be confident that I will always be acting in the best interest of the business with my customer service and customer satisfaction, time management, problem solving, retail sales, excellent communication and attention to detail skills that all of these factors combined to make confident that I will be a valuable asset to your team.
