Curriculum Vitae (CV)

What job i'm looking for? My positive points

I love coffee.

I love the machines, I love the people that make and drink it, I just am love for coffee personified.

I can take apart a Slayer/Synesso/La Marzocco and put it back together, all the while singing the praises of Kees van der Westen.

I dare you to introduce me to someone who doesn't drink coffee because "it tastes burnt and bitter".

I am the destroyer of preconceived coffee notions.

I am become death, slayer of decaf.
