Curriculum Vitae (CV)

What job i'm looking for? My positive points

Whom it may concern

I am writing to express my interest in the advertised vacancies or employment opportunity I am currently completing a Level 3 National Certificate in Information Technology: End User Computing, and I believe that my education and skills would make me a valuable asset in this role.

Although my educational background is in information technology, I have a passion for the arts and a strong desire to work in this field. I am organized, detail-oriented, and have strong communication and interpersonal skills, which I believe would make me well-suited to a role in arts and culture administration.

I am eager to learn and to contribute to the success of your organization, and I would be grateful for the opportunity to bring my skills and enthusiasm to this role. I am confident that my dedication and commitment to excellence would make me a valuable member of your team.

Thank you for your consideration, and I look forward to the opportunity to discuss my qualifications further.

Sincerely

Angel Phumlani Ngwenya.
