Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job that will pay the bills and keep the lights on. My positive points are that I take initiative, I'm level headed and I work hard. I'm very adaptable, it doesn't take me long to accept change.

I am computer literate, as most of the work I've done previously as a freelancer was Digital. Not much of a tech head or creative genius, but I'm passionate about the work I do.
