Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have been in the Admin and Reception Industry for 15 years and counting. I am a very determined and hardworking individual who is very creative and also pays attention to every detail no matter how small. I have excellent written and oral communication skills and I work well in a team as well as by myself. I love working under pressure as it keeps me motivated and it pushes me to work towards my goals. I'm a very organized person and I am able to adapt to any situation.

I enjoy working in Admin because as an admin person you become the middle man, you are the one person that makes sure everything is running smoothly and that everyone is happy and that's exactly what I want to achieve and become. I would also like to be able to study further and to still get the qualifications that I need and more as this is one of my goals that I want to achieve this year.
