Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for general worker jobs available. I have matriculated in 2020 and went to university in 2022. I passed my grade 12 with a bachelor endorsement for all my 8 subjects I did ,with accounting being an extra one. I have fair knowledge when it comes to book keeping moderate level(grade 12 knowledge). I went to Kitso ya Bo leng academy In 2021 to improve my leadership skills where I was a leader of students affairs . In 2022 I went to Cape peninsula university where I did my first year in mathematical sciences and have some fair knowledge on using Microsoft access software to create database or search for information . In 2022 I changed courses from Mathematical sciences to Btech in electrical engineering in 2023 where I learnt more about basic electrical appliances and how wires and how electrical installations is done, thus I can confidently say that I have fair knowledge of electrical things too. Due to life circumstances I could not go

Back to university this current year because I have family issues that requires me to get a job and provide for.

I am 22 years old male with healthy status ,in possession with C1 driving license with more than a decade of driving but without license and did my license in 2022.

I am a hardwork with home chores at my home.

Kind and have high tolerance levels to work with people.

I am also a great team leader as well as a team player.

I'm well learnt with taking care of infants ,as I took care of my siblings when I was growing up..but not financially.

I am able to work for long hours and also willing to work till late provided safety .
