Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am highly organized & disciplined young female with good communication and conflict resolution skills. I am an energetic self-starter and I am able to navigate high- stress situations and achieve goals on time.

I am a qualified Instrumentation mechanician. I have worked in a coal processing plant and I have had some exposure in the mining section with regards to radios and WIFI.

I have recently done my COMSOC 1 and COMSOC 2 in safety, which is also an interest of mine.

I am computer literate and very good with administrative work, as well as data capturing.
