Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job that will make me grow mentally with also developing my skills required for that specific job. I take instructions seriously and dearly, as I am also a team player. I believe there's more to be gained and achieved when working together. I love challenges especially when it also requires more effort to be put into work. I am also open in learning new set of skills that may benefit the company as it may benefit my development in becoming better, for it will also help the company in achieving success and I also want to be part of legacy of excellence and successful journey taking the company to bigger levels.
