Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an opportunity in training for Electrical Engineering. I would love to see myself qualify as an Artisan. I am also interested in fields such as Instrumentation, Heavy Current Electrician and Electrical Installation. I am Married with two dependents and currently facing retrenchment. I am ready to relocate and start work immediately. I am a hard worker. I possess good communication skills. I adapt well even when working under pressure. Good reasonable Hard labor is not a challenge for me.

I have not been working in my field of career for years now. Where i currently work now is a Private school, I work as financial officer but am serving one months notice which ends on the 5th of April. I would really appreciate an opportunity in Electrical Training to become an Artisan but also am interested in other fields of growth in the Engineering sector.

Thank you in advance
