What job i'm looking for? My positive points

I am looking for a customer service job, as I have been in the industry for a period of time. As I have been in the industry, I am aware that it is challenging as you get to meet different people with different attitudes, which is why I learned to be a good listener and consider the customer needs before my feelings. I am a friendly, good seller, team player. I dedicate myself in what I do.
